

The City of Westminster
invites you to apply for

Are you a seasoned California municipal finance professional who takes pride in the work that keeps a city financially strong and accountable?

The City of Westminster is seeking an Assistant Finance Director ready to step into a highly engaged, hands-on leadership role. This position plays an active role in daily operations and long-term financial planning.

This is a unique opportunity to oversee core finance functions, including budgeting, accounting, financial reporting and treasury operations. The ideal candidate brings well-rounded experience across municipal finance and understands the full scope of operations. The City is looking for a dependable and detail-oriented individual who leads by example and sets a high standard of excellence.

Assistant Finance Director

About the City of Westminster

The City of Westminster is a vibrant and culturally rich community located in the heart of Orange County. The City is internationally recognized as the home of Little Saigon, one of the largest Vietnamese communities outside of Vietnam, and serves as a major center for culture, commerce and entrepreneurship. With more than 700 businesses and nearly \$1 billion in annual economic activity, Little Saigon reflects Westminster's strong small business environment and its role as a regional destination for residents and visitors alike.

Westminster offers a unique opportunity for professionals seeking meaningful public service in a diverse and evolving community. The City actively invests in economic development, community programming and neighborhood enhancements, including ongoing initiatives to strengthen its cultural districts and support local businesses. Its central location provides convenient access to major employment centers, beaches and regional attractions across Orange County, making it both a dynamic workplace and an attractive place to live.

Why work for us?

Working for the City of Westminster means joining a team that values purpose and real-world impact. The City offers a bold and evolving work environment where public service professionals are encouraged to think creatively, contribute ideas and help shape the future of the organization while serving a dynamic and engaged community.

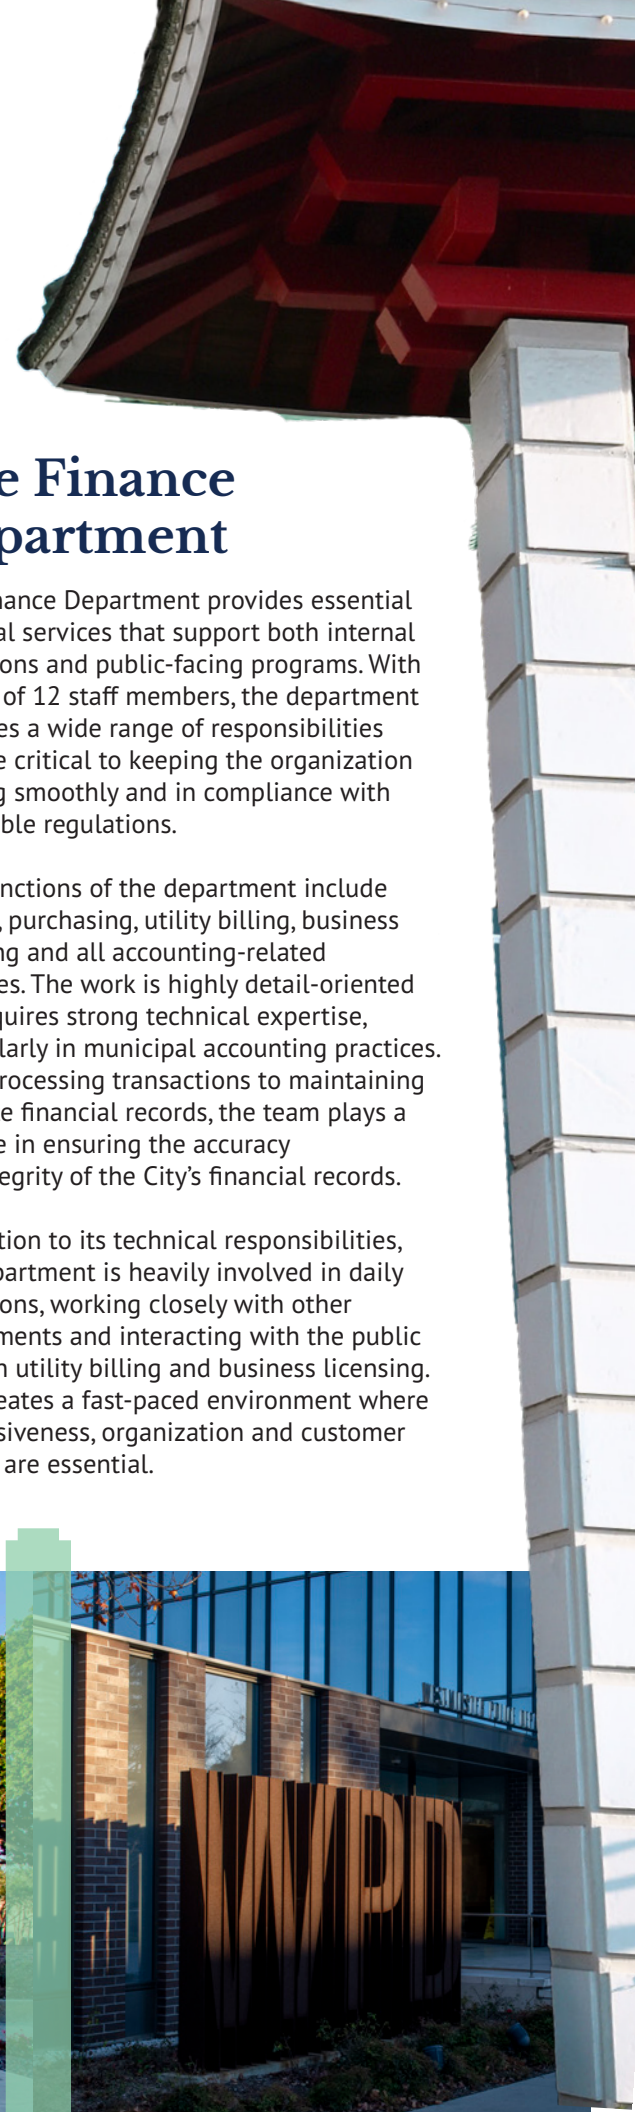

Employees here are trusted to take ownership of their work and are empowered to make meaningful contributions. The City encourages a collaborative and hands-on approach, where staff play an active role in improving processes, advancing initiatives and driving continuous improvement. Individual perspectives are valued and teamwork is essential, creating an environment where innovation, accountability and consistency all play a role in achieving success.

The Finance Department

The Finance Department provides essential financial services that support both internal operations and public-facing programs. With a team of 12 staff members, the department manages a wide range of responsibilities that are critical to keeping the organization running smoothly and in compliance with applicable regulations.

Core functions of the department include payroll, purchasing, utility billing, business licensing and all accounting-related activities. The work is highly detail-oriented and requires strong technical expertise, particularly in municipal accounting practices. From processing transactions to maintaining accurate financial records, the team plays a key role in ensuring the accuracy and integrity of the City's financial records.

In addition to its technical responsibilities, the department is heavily involved in daily operations, working closely with other departments and interacting with the public through utility billing and business licensing. This creates a fast-paced environment where responsiveness, organization and customer service are essential.

CITY OF WESTMINSTER

The Position

As the Assistant Finance Director, you will serve in a key leadership role supporting the overall direction of the Finance Department. This position blends strong technical accounting expertise with hands-on management, helping ensure the City's financial functions run smoothly. You will play an integral role in strengthening processes and helping the department operate efficiently across a wide range of responsibilities.

Reporting to the Finance Director, you will:

- Assist in overseeing core financial functions, including accounting, payroll, accounts payable, purchasing, utility billing and business licensing
- Coordinate the administration and preparation of the City's annual comprehensive financial report, including the oversight of periodic financial reporting and ensure financial data is maintained in compliance with general accepted accounting practices
- Support the development and administration of the City's annual budget and Capital Improvement Program
- Help monitor financial activity, prepare reports and ensure accuracy with regulations and policies
- Coordinate and evaluate workflows, identifying opportunities to improve efficiency across functions
- Oversee and support staff, providing guidance, training and performance management
- Assist with audits, financial analyses and the implementation of financial systems and process improvements
- Collaborate with departments to address operational needs and provide guidance with financial procedures
- Support and help carry out citywide strategic plan objectives

Our Ideal Candidate

The next Assistant Finance Director will be a seasoned California municipal finance professional who leads by example, takes ownership of the role and brings experience across the full spectrum of local government finance functions. The role requires a technically strong and dependable professional who is willing to step in and support staff as needed. You understand that success in this role requires more than oversight, it requires active involvement and sound judgment.

You're our ideal match if you're:

- A leader who is comfortable balancing high-level responsibilities with day-to-day involvement, maintaining a visible and supportive presence with staff
- Well-versed in municipal finance with strong accounting knowledge and attention to detail
- Reliable and accountable, following through on commitments and setting a positive, team-oriented standard for others
- Adaptable and able to manage changing priorities and time-sensitive demands with a calm, solutions-focused approach
- A clear and practical communicator who can collaborate effectively across departments and build strong working relationships
- Level-headed in challenging situations, with the ability to make thoughtful, well-informed decisions
- Able to manage multiple functions without losing focus, while remaining hands-on and engaged in the work
- Motivated to contribute long-term and take pride in the impact of your work

Qualifications

Education & Experience

Any combination of training and experience that would provide the required knowledge, skills, and abilities is qualifying. A typical way to obtain the required qualifications would be:

- Equivalent to graduation from an accredited four-year college or university with major coursework in finance, accounting, economics, business or public administration, or a related field
- Five (5) years of management and/or administrative experience in municipal finance and accounting.

Licenses & Certifications

Possession of a Certified Public Accountant (CPA) is strongly preferred.
